

Password Genie
Secure. Password. Management.

Rely on Something Other than Pen & Paper

Password Genie saves all of your web site usernames and passwords so you never have to write them down or remember them again!

Password Genie Features

Smart Logins

No complex learning required. Password Genie saves your usernames and passwords and provides auto fill, auto submit & keystroke options.

Advanced Custom Options

Password Genie comes with multiple preference options that will make your experience unique and browsing hassle free.

Safe & Secure

All your personal data & preferences are stored with 256-bit AES encryption & transferred with 128 bit SSL, the same technology used by secure sites and banks today!

Multiple Users / Multiple Computers

Password Genie can be installed on up to (5) computers with unlimited users. Best of all, your saved logins, usernames, passwords, and preferences are synchronized across all your installs, so they are available wherever you are.

Automated Backups

Password Genie ensures that all your saved website usernames and passwords are securely backed up & available in case you need to do a reinstall or transfer to a new computer at any time.

24/7 Support

Phone, Chat and E-Mail support is included 24 hours a day, 7 days a week, at no extra cost.
